Dear Mr. Musgrave:

This is the final response to your electronic Freedom of Information Act (FOIA) request dated January 30, 2013, for a printout or listing of all investigations closed since 2010 to include the dates, case numbers, titles, subject, and disposition, for each investigation. We received your request on January 31, 2013, and assigned it FOIA case number FOIA-2013-00268.

This office is responsible for processing all FOIA requests for access to records maintained by the Department of Defense, Office of the Inspector General (DoDIG). As you may know, the FOIA requires federal agencies to provide reasonably described records that contain information that is responsive to a FOIA request. See 5 U.S.C. § 552(a)(3)(A)(i). In practice, this means that our office is tasked to respond to requests received from the public for records or documents in the possession and control of the DoDIG, which have been described in such a manner as to permit a non-random search by those who are familiar with such records. Your request is asking this office to create a list or a record that is not already maintained within the records systems of the DoDIG. The FOIA does not require federal agencies to create records in response to a FOIA request.

Please note that copies of several DoDIG investigations are available in our electronic reading room at: <http://www.dodig.mil/FOIA/readingroom.html>. In addition, the Reports and Publications page of our website contains lists of reports completed by fiscal year. With this action, I am administratively closing your request.

Sincerely,

  
Jeanne Miller
